

Quick Anchor v4.1 – New Update

We are excited to announce the release of the latest update to Quick Anchor – our trusted anchorage design software just got even better!

This new version includes several performance enhancements and bug fixes, ensuring a smoother, faster user experience. But that’s not all — we have added two major features that take Quick Anchor to the next level:

- **Screw Anchors:** You can now design and analyze screw anchors directly within the software.
- **User-Defined Anchors:** Easily create and compare custom anchors against standard industry options, giving you even more flexibility and control in your designs.

Special Offer – For a Limited Time Only

- \$50 OFF new purchases
- \$25 OFF upgrades from previous versions
- If you have been waiting for the right time to buy or upgrade Quick Anchor, this is it.
